

Ms. Diaz's

WEEKLY UPDATE

A NOTE FROM THE TEACHER

Good afternoon!

I hope you had a wonderful weekend. This week we will be starting our multiplication fact fluency. Please begin to practice multiplication facts (2, 4, 5, 10) *every night* with your child.

There is a conference reminder and a math test in your child's binder today. Review the conference time and keep the reminder. Sign and return the test to me by tomorrow. ☺

I look forward to speaking with each of you at our goal setting conferences next week. Please don't hesitate to email me with any questions you have. Have a great week.
