

Miss Dianz's

WEEKLY UPDATE

A NOTE FROM THE TEACHER

Happy Monday!
I hope you had a great weekend. We have a busy week ahead in third grade. On Friday we will be taking our first math test. This will be a "mid unit test" assessing the *concept* of multiplication. We will work on a practice test on Thursday for the students to complete in class and review at home. Also, if you haven't already, please check binders for a conference sign up. Choose your top 5 times and return it to me by **Thursday**. Have a great week. Please let me know if you have any questions.
